Referral Bonus Policy

Referral Awards

- $100 for Residential Counselor and Home Health Aide per diem referrals
- $250 for all other per diem referrals
- $500 for any contract referral
- $750 for a specialty referral
    - Registered Nurse ONLY for these specialties: Labor & Delivery, ICU, IMCU, Post-Partum, ER/ED
    - Physical Therapist, Occupational Therapist, Pharmacist, Respiratory Therapist

How it Works

- To be eligible, referrers do not have to currently be working with MSG or at one of our clients to be eligible or referral payouts.
    - Internal MSG Staffing employees are not eligible.
- To be considered a referral, the referred candidate must not already exist in our database at the time of the referral.
- Referred candidate must mention referrers name to Recruiter to be eligible counted as a referral, or the referrer must provide name and contact information to the Recruiter at the time of referral.
- Referral must be documented by MSG staff before a placement starts.
- Referral awards will be paid after the referred candidate completes 260 hours of billable work with our client(s) within one year of the referral.
- All referrals will be paid as either W2 or 1099 income.
- Human Resources/Operations will review hours worked for referred candidates the first full week of each month and provide payroll with the list of referrals to be paid out during the second full week of the month.
